

Music Together®

with Glenda

*Singing their
own way...*

*Dancing in
their chair...*

*Jamming to their
own inner rhythms...*

***In Music Together® classes,
everyone is a music maker.***

Music Together® is an inclusive music-making experience the entire family can enjoy together. You and your children will become part of a community of families sharing songs, instrument play, rhythm chants, and movement activities in a relaxed, playful, non-performance-oriented setting.

At Music Together, music is learned through developmentally appropriate activities that support and respect the learning styles of all participants. Everyone is encouraged to participate at their own level. Your family will enjoy 45 minutes of family music-making each week in class—and you'll receive a CD, songbook, and access to our *Hello Everybody* app with family activities to play with and learn from at home, too.
