BRING STUFFIES!

To celebrate our last week of spring semester, let's bring our favorite stuffies to class! (Monday Generations class please wait until Jun 8th!)

MINI GOLDEN DOODLES ON THEIR WAY!

Remember the family selling their own delicious honey around Christmas time last year? Well guess what! By the end of July they will have mini golden doodles available! If you want in, let Mackensie Grohman know by texting her at (770) 283-4490.

REGISTRATION:

The registration process has been altered to allow families to register more than three children. In addition, you now have the option to pay full price for a 2nd child.

HOW IT WORKS: When finalizing your order you may choose between available prices for the second, third, & fourth registrants before checking out. Thank you to the family who volunteered to pay for a second seat and prompted this change!
